## PRINCIPAL'S MESSAGE

### Staff Professional Learning Program

On Friday 31st August staff were involved in collaborative moderation. This was a common day for secondary schools across the north eastern area resulting in many teachers getting together in subject areas to ensure our marking is at the standards outlined in the Australian Curriculum. Our primary teachers also worked on learning design assessment and moderation strategies in year level groups within our own school.

### STEM in Focus Day

We recently hosted a small group of students from nearby primary schools along with our students as part of our initiative to build our STEM Program in our high school years of schooling.

It was great day. Thanks to our secondary Science teacher Arthur Roubanis for running the day and to Robyn Van Hoof, Amanda Lamming and Enrico Penna for helping out too.

### Performing Arts - Wind in the Willows

This is the second year of our Performing Arts group and after the successful *Canterbury Tales* in 2017 the group has increased in number and quality too. Two successful performances of *Wind in the Willows* were held on 29th and 30th August. Congratulations Ms Sally Putnam for once again producing and directing, and our performing artists from Year 6 to Year 11.

### Subject Counselling

Students in Year 9, 10 and 11 are in the midst of a three week period choosing subjects for 2018. Last week around 90% of parents of Year 11 students were able to attend to support the Year 12 subject selection process. Year 10 students are selecting subjects this week.

### PAT Testing

Progressive Assessment Testing is also happening over the next three weeks. Students in Years 1 to 10 are taking progress tests in Reading and Maths to determine how they are travelling in their learning programs and what areas need further attention.

Nigel Gill  
Principal

## PATHWAYS COMMUNITY CENTRE

### Supporting local families during colder months

At The Heights School providing a caring P-12 community has always been something we are proud of. Ensuring nurturing platforms for children to blossom and be themselves is crucial for their development.

Our school has a wonderful relationship with the Pathways Community Centre who assists us in supporting families within our community.

We are fortunate this relationship continues to grow and with their help aim to provide further assistance to families in current need.

We are asking for donations of food and/or basic household items to assist families during this cold weather. We have large boxes placed in our Front Office and Primary Years Office for items to be placed. These items will be collected by the Pathways Community Centre and made into vital hampers for identified families. *Pasta, rice, heat & eat meals, muesli bars, soups, crackers, lunchbox snacks, toilet paper, soap, tissues, etc* – all welcome. Any contribution you can make, no matter how small, will have a huge impact on a child's day.

**Donation boxes are now available for your generosity and will remain until the end of Term. Please donate to spread the feeling of warmth.**

Our biggest thanks,

Noelle Wallis, Pastoral Care Worker & Vicki Cook, Business Manager

## UNIFORM SHOP - OPENING TIMES & 2018 PRICE LIST

### Uniform Shop Opening Times for 2018 (during school terms only):

(Closed on Pupil Free Days)

Orders can take up to 6-8 weeks if an item is not in stock, please plan ahead with uniform requirements where possible.

Now is a great time to get school uniform organised for next year!

Uniform can also be purchased online via The Heights School website payments section. Please note the article and size you require in the comments section. There is no need to fill in an additional Uniform Order form. You will receive a phone call when your order is available for collection.

Do you have second hand uniforms you would like to sell? We can put a notice in the uniform shop window and families can contact you direct. To place a second hand uniform ad please contact Maria Parry on 8263 6244 or email [maria.parry794@schools.sa.edu.au](mailto:maria.parry794@schools.sa.edu.au) with the item description, size, price, condition of the clothing and your name and contact number.

## SCHOOL VOLUNTEERS PARTNERSHIP NEWS

### Term 3 School Volunteer Partnership Meeting

We would like to invite all volunteers and members of the wider school community to the School Volunteer Partnership meeting for Term 3. At this term's meeting we will hear from **Robin Parsons**, who will be talking about the education, social and financial benefits of **The Heights School's Internationalism Program**.

A generous afternoon tea will be provided so please bring along anyone you know who may be interested.

**Date:** Monday, 24th of September

**Time:** 1.30 – 2.30pm

**Location:** Middle School Multi-Purpose Room

**Contact:** [kellye.rowe725@schools.sa.edu.au](mailto:kellye.rowe725@schools.sa.edu.au)

### Krispy Kreme Fundraising

We will be distributing over 130 dozen doughnuts throughout the school to the wonderful families who supported this fundraiser. Thank you to you all for your support. We would particularly like to thank the **Harrison family** who ordered 28 boxes on behalf of friends, family and colleagues! In total, just over \$1,000 was raised.

Thank you to our wonderful volunteers **Jodie Warner** and **Tara Mather** who helped with the collection and distribution.

If you placed an order as part of our Krispy Kreme fundraiser, please note that the collection day is **Wednesday the 26th of September**.

Your boxes of doughnuts will be available from the Community Room between 2.30pm and 3.30pm. Any orders not collected by 9am Friday morning will be donated to charity.

### Father's Day Stall

The School Volunteer Partnership has been busy this term, raising money through the annual Fathers' Day stall.

Many solid days of work were spent sourcing, selecting and pricing the items, which are sold at a very small profit to give as many students as possible the opportunity to purchase gifts for special people in their lives. The stall boasted a \$2,000 turnover.

A big thank you to **Jodie Warner**, **Tara Mather** and **Amanda Sommers** who spent considerable time ordering, sorting and pricing all the gifts as well as setting up and packing down the stall. Thanks also to **Maria Birse**, **Eva Rose**, **Anne-Marie Jenkins**, **Karen Lynch**, **Mandy Leventis** and **Tracey Sumpter** who came to assist children with their choices and provided complimentary gift wrapping. Well over 1300 gifts were sold and just shy of \$300 was raised.

THANK YOU!

## THE HEIGHTS STEPHANIE ALEXANDER KITCHEN GARDEN

It has been a busy and exciting time in the SAKG kitchen and garden as our three Year 6 classes have worked hard preparing their entries for the Royal Adelaide Show.

Firstly, we made the scarecrows.....601 created an amazing Christmas Grinch, 602 made a life-like Mr Piggott scarecrow, and 603 made a beautiful Shrek. Each class also made backdrops, props and wrote stories about each character. These were displayed in the Library where the Year 5 classes, staff members and other students voted Shrek as their favourite!

Some students were also involved in harvesting and preparing produce for the 5 categories The Heights SAKG classes had entered in the Royal Show Kitchen Garden Competition. These were displayed and judged last Saturday, and we were very excited as our 5 entries received 5 ribbons!

4 second prizes were awarded for our Patch to Plate (Jerusalem Artichoke & Sorrel Soup), Harvest Basket, 3 Seasonal Vegetables, and Salad of the Imagination. Our Herb Bouquet received a third prize ribbon. Some of these entries will be on display in the Library for a few days.

The teamwork, organisation, attention to detail and creativity that was involved was amazing... well done to all the Year 6 classes!

**Gail & Amanda, SAKG Kitchen and Garden Specialists**

# PRODUCTION AND PERFORMANCE WEEK

## PRODUCTION AND PERFORMANCE WEEK

This was the week that *Wind in the Willows* finally hit the stage and invited audiences in to see the results of months of hard work.

Students across the school were invited to see sections of the play during the day. The feedback was great. One student said, “They all did a great job and I have to give them credit for doing something I wouldn’t be brave enough to do.” Other comments included, “I loved the dances.” “I liked the Wild Wooders!” “It was great, I really enjoyed it.”

These performances gave the cast and crew an opportunity to rehearse in front of people and remember again that the play was funny and got them used to waiting for the laughter to die down before starting on their next lines. It honed the cast’s skills for being in the right place at the right time for getting onto the stage. It helped them to develop their confidence in carrying on when there was a mistake and not letting the audience know that there had been an error.

Crew had the opportunity to practise getting the sound and lighting cues spot on! The stage manager took more and more responsibility for running the show backstage.

Then the time came for the performances proper. Excitement and nerves were rife, but everyone supported each other beautifully. The Wednesday night performance with a good audience gave the cast and crew their first real taste of what they had been working so hard for. Laughter, applause and cheers were their reward and the Thursday evening performance with a full house was fabulous. I couldn’t have been prouder of them all. They were well rewarded for all the time and energy they had put in. Parents, grandparents and friends couldn’t have been any more enthusiastic and proud of them all.

As is usually the way, hard work, effort and teamwork paid off and everyone slept very well over the next few days.

*Sally Putnam, Director*

### **Wind in the Willows – A Great Success!**

Staff, students and families were delighted by the Heights Drama Club’s performance of the classic *Wind in the Willows*, directed by Sally Putnam. Sally and the students have worked tirelessly throughout the year to create what was a brilliant, dynamic production. Combining lengthy sections of dialogue, acting, singing and dancing – the cast were confident, multi-talented and highly professional in their performances. Their dedication was evident in the high calibre of performance by all on stage. All the favourite characters appeared including Mole, Rat, Toad and Badger and the Wild Wooders like never seen before! The cast and crew are to be commended for what was an exceptional performance, leaving the audience in stitches of laughter.

We are looking forward to the next show!

*Bridget Roberts, English Teacher*

# PRODUCTION AND PERFORMANCE WEEK

## MASTERCLASSES IN ARTS WEEK

The Masterclasses were a new departure for The Heights, offering expert tuition and challenge in different aspects of Musical Theatre.

Charisa Sanders who has worked professionally as a performer in this area and is also a well-respected singing teacher led the workshop. She took as her theme for the week, the Greatest Showman, and used different songs in each of the workshops.

The week started with a two-day workshop in Musical Theatre involving 22 students, who had all signed up for the experience. This workshop involved students in developing a scenario in a group. The groups decided that each scene would link to a theme of bullying because of some aspect that makes them different. Each scene finished with the line: "I'm no stranger to the dark!"

The four scenes then led into a choreographed musical number – "I am me!" this was an anthem to being brave, acknowledging your differences and making the most of your gifts and talents. The final performance sent shivers down my back, made a couple of teachers cry and students watching the show, cheer and applaud.

The second workshop was a Mastersingers Workshop. Students for this workshop were chosen for their singing ability and the aim was to challenge them to extend their experience and skills. Charisa chose – Fixer Upper. This song has a multitude of solos, lots of tricky harmonies, changes in tempo and styles. However, by the end of the day they had learned all the lyrics, harmonies and music and performed it with enthusiasm and professionalism.

The final workshop on the Friday was a chance for the Year 6s and 7s to be challenged to try something new. This was about learning a song and dance to do as a year level and one song to perform with the other year level. This workshop was outside many of the students' comfort level but challenges can only be met when they are just that, something that we have to work harder at. However, at the end of the day, all 180 students performed to a primary years audience in the courtyard.

The Masterclasses were very successful including over 240 students in a workshop and about half the school population in different audiences over the week. I would also like to thank Charisa Sanders for sharing her wonderful energy, passion for musical theatre and teaching skills with The Heights.

*Sally Putnam, Coordinator of Performance*

## MUSICAL THEATRE MASTERCLASS: A HIT AT THE HEIGHTS!

During Arts Week students were invited to be involved in a two day Musical Theatre Masterclass with an industry expert. Students from across the middle and senior school enjoyed two days of singing, dancing, acting and performing for peers and teachers. The audience was delighted by the upbeat music from the hit musical 'The Greatest Showman' which complemented the devised scenes about bullying, confidence and self-empowerment. The students who performed are to be commended for their confidence, bravery and energy. It was a thrill to see!

*Bridget Roberts, English Teacher & 807 English Class*

## EVERY WEEK IS SCIENCE WEEK AT THE HEIGHTS SCHOOL

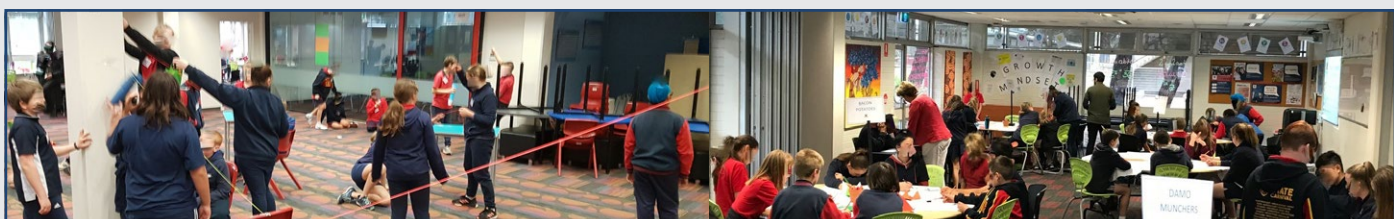

Due to popular demand our school hosted a second STEM in Focus Day for nearby schools.

Over 80 students from Golden Grove, Modbury West, Modbury and East Para Primary schools participated in a number of activities including Quiz Relays, and a STEM challenge. They were treated to a delicious morning tea and a tasty BBQ lunch. Thank you to all of the people behind the scenes that helped to put this together. Special mention to Felicity Barty, our parent and student volunteers, Kellye Rowe and of course Mr Penna, Ms Lamming and Ms Van Hoof who helped run the challenges throughout the day.

The schools and teachers commented positively about the event and we hope to attract some of these students as potential Year 8 students in the years to follow.

*Arthur Roubanis*

# STAGE 2 FOOD AND HOSPITALITY & SPORTS NEWS

## STAGE 2 FOOD AND HOSPITALITY DRIP CAKE DISPLAY

As a part of The Heights Arts week, the Stage 2 Food and Hospitality Class were asked to participate and showcase their cake making skills. The assessment task linked to the event sought students to design, and then create their own contemporary drip cake for a specific event or occasion. The finished cakes were all amazing, with all students completing their cakes to industry standards, their professional styling of the cakes was very impressive.

However, I think the highlight of the cake making for the students was the feedback and the reaction that was given to them by students and teachers, while they were displayed in the Library.

On behalf of all the students, I pass on my thanks and appreciation to everyone who gave such positive feedback, it was very welcomed.

*Sarah Rogers, Food and Hospitality Teacher*

## SPORTS NEWS

### VISTA Year 9/10 Boys Basketball Carnival

Our Year 9 and 10 Boys Basketball teams competed in the VISTA Basketball Lightening Carnival held on Thursday 30th of August at MARS Stadium. Both teams were incredibly competitive with our Year 10 team only losing 1 game by 1 point, and drawing another. Students reflected on their experience of the day:

*An excellent day all round with 50 games being played! Both of our teams played really well and both were unlucky not to finish higher. - Frank*

*Great effort from all the boys! We played really well, unfortunately just missing finals. Maybe next year! - Lucas*

*Overall, we had a fast paced team who worked very well together. Despite our team not making finals, we all enjoyed the day! - Jun*

*Eulaly Allen, Sports Coordinator*

*Pictured: Year 9 (top);  
Year 10 (below)*

### VISTA Year 9/10 Girls Basketball Carnival

Our Year 9 and 10 Girls Basketball Teams competed in the VISTA Basketball Lightening Carnival held on Thursday the 6th of September at MARS Stadium. It was a fun, empowering experience with lots of success and great team work. We understood each other more as the day went on and enjoyed spending the day with our friends playing basketball. Although, we had 1 win for the day, we would definitely do it again. Thank you to Alex and Lucas for coaching us.

*Year 9 Girls Basketball Team*

### VISTA Year 10 Boys 5a-side Soccer Carnival

Our Year 10 Boys 5a-side Soccer teams competed in the VISTA 5a-side Soccer Carnival held on Wednesday the 5th of September at The Heights School. Both teams did very well today in the VISTA 5a-side Soccer. Our younger team started off well and drew their first game but unfortunately couldn't maintain momentum as the day progressed. Our older team did an amazing job, they won 4 games and only lost 1. In fact, they finished off equal first, but missed out on the grand final on goal difference. They finished knowing that they were the only team to beat the overall winners of the carnival; Roma Mitchell. Despite all the results it was a very good day.

We would like to commend our referees Oliver and Dean for their efforts for the day and thank Awal for offering his time to coach both teams, on a day he wasn't even required to be at school.

*Year 10 Boys 5a-side Soccer Team*
