THE HEIGHTS STEPHANIE ALEXANDER KITCHEN GARDEN

Term 1 - 2019

The Heights Stephanie Alexander Kitchen Garden Team are back and we are looking forward to an exciting year ahead! Schools all over Australia are involved in this program where students are taught the skills of "growing, harvesting, preparing and sharing fresh, seasonal and delicious food". We will be teaching your children the value of growing and preparing their own food, as well as valuable life skills in our school kitchen and garden.

This year we welcome 2 new Kitchen Specialists.....Gen Lempens (Years 4, 5 and 6) and Eva Rose (Years 2 and 3); and Amanda, our Garden Specialist (Years 2 – 6). Rebekah Goodall will be our SAKG Program Coordinator. The Pre-School, and students in the A.I.P. program will also spend time in the school kitchen garden. We would once again like to thank our wonderful Kitchen Specialist, Gail van Ryswyk, who retired at the end of 2018.....her knowledge, hard work and great sense of humour will be much missed by all of us.

The SAKG students had a very generous delivery from the Yates Garden & Royal Show team in the last week of Term 4. Our students won 5 ribbons in the 2018 Adelaide Royal Show; and as a result, were given bags of potting soil, fertiliser, a watering can, a mini seed propagating unit, and various garden products. We have already started using these in the garden!

Please feel free to come and say hello to us (before or after school) if you'd like to know more about the program, or if you are interested in volunteering in the SAKG program – absolutely no experience required other than enthusiasm, and a spare hour or more! We can give you more information on all volunteering requirements.

FESTIVAL CHOIR 2019

The Heights Festival Choir for 2019

We certainly have some exciting, challenging and rewarding times ahead of us. The information below contains important details that you will need to be aware of. The choir is available for Years 5, 6 and 7. The criteria for selection was based on:

- Interest in Singing
- Commitment
- Quality of Voice and Vocal skills

The choir this year will be taken by Algis Laurinaitis and Kim Crocker (Music Teacher).

Choir sessions are held in school time 50 mins on Tuesdays Lesson 4 starting Week 4.

The annual Public Primary Schools' Music Festival will be held this year from the 11th to 21st of September at The Festival Theatre in the city. We will only be performing once during that time. As in previous years, The Heights is supporting this prestigious festival.

As part of the Festival Choir programme for the year, there will be a combined cluster rehearsal to introduce the songs at **The Heights Tuesday March 5th** and another combined rehearsal which will be held at "Magic Millions" at Morphettville Racecourse, between 21st to 28th August – again only once in this period. It is very important that your child is available for these dates in order to participate fully in the series. Transport will be organised for all combined rehearsal.

The exciting thing about this work was the written evaluation task. Instead of just writing the evaluation and reflection in their folios, students all wrote letters to Fiona Hiscock. The letters were posted to the artist, who was absolutely thrilled to receive them!

Below are some samples of the letters that we sent.

Building Better Outcomes for Learners

What's the Buzz?

For 7- 12 year olds

What's the Buzz is an internationally recognised social skills program developed by Mark Le
Messurier and Madhavi Nawana Parker as a 16 lesson highly structured, role play and play-
based program designed to teach children how to think socially and make friendship work.

Who is it for?

What's the Buzz? Is designed for all children, but are especially valuable for those who
struggle to appreciate the free-flowing reciprocal nature of social interactions. It has proven
to be helpful for children with higher-functioning forms of Autism Spectrum Disorders,
those identified with language disorder, specific learning difficulties, Auditory Processing
Disorder, Non-verbal Learning Disorder, Pervasive Developmental Disorder - not otherwise
specified, ADHD, reactive behaviours, anxiety, shyness and social phobia

The program engages children into feeling friendship together, it encourages them to see it,
taste it, smell it and laugh with each other. It connects young people and offers them the
skills to belong.

Each unit/session runs for an hour, with resources, course material and information sheets
shared with students and parents/carers.

What's the Buzz for primary students is particularly aimed at children aged between 7- 12
years of age, with a **maximum group size of 8 students**.

Cost per child is \$40 per session.

Please note: For those children already receiving NDIS funding who are self or plan managed it may be possible
to utilise funds to support payment of costs (this will need to be determined through your NDIS case manager).

When: Weds. afternoons weekly, Term 1 & 2 over 16 weeks
(Starting week 2 of each term)

Time: Group 1 (7- 9 year olds) 3:45pm- 4:40pm
