

To login Daymap Parent Portal for the first time, the following process is required to retrieve your login details.

Go to the Heights School website: <http://www.theheights.sa.edu.au>

From the menu bar at the top of website, click Access -> Daymap as shown below:

Then click the “Daymap Parent Portal” button as per below:

From the Daymap Parent Portal login screen, the first time you’ll need to click “Forgot your password” as per below:

Username :

Password :

[Forgot your password?](#) ←
[Can't access your account?](#)

On the next screen enter in your email address that is registered with the school, along with a matching student code and click “Reset Password”. Student Codes can be obtained for students in years 6-12 from their school Student Card.

If you do not know your registered email address or require a student code for a student in years R-5, please contact The Heights School ICT office on 8263 6244 for assistance.

Email

Student Code

The parent portal will now send an email to your nominated email address containing your Username and instructions to reset your password.

From then on you can login to the Daymap Parent Portal, using the following details:

Username: [contained in the reset password email sent to you]

Password: [the password you set above]
