## PRINCIPAL'S MESSAGE

### New Principal Tenure

I'm very pleased to be able to let you know I have been re-appointed as Principal of The Heights P-12 School for a second tenure. I'm looking forward to being able to continue leading our school and working with our staff, students and wider community.

The following is a letter from the Education Director Anne Lamont to you announcing this.

To The Heights School Community

*It is with great pleasure that I announce the re-appointment of Nigel Gill as Principal of The Heights School for the next five years.*

*Along with the selection committee that included Governing Council and staff representation I am confident that the school is well placed to continue its ongoing development under Nigel's leadership.*

*As Education Director I wish the community well and look forward to working closely with Nigel in the ensuing years to further improve the educational outcomes and opportunities for The Heights School children and families.*

Anne Lamont  
Education Director

### Preschool – Enrol now

We are currently accepting registrations for Preschool in 2021. If you are interested in enrolling a child in Preschool for 2021 please contact Daniella Dunne on [Dani.Dunne687@schools.sa.edu.au](mailto:Dani.Dunne687@schools.sa.edu.au) or visit the Front Office to collect a Preschool Registration Form.

### Pedal Prix and School Production

With restrictions Pedal Prix at Victoria Park Racecourse scheduled for last weekend was cancelled. The second event at Victoria Park at the end of July in preparation for the main event in Murray Bridge in September is still under consideration. Just in case, our student racers have started training again.

Similarly we have postponed preparations for a 2020 School Theatre Production. Instead students have begun rehearsing in small groups developing skills and confidence to resume a full scale production in 2021.

### Semester 2

Semester 2 commences on the 29th June. This mainly affects our older secondary students as some of their subjects and teachers will change. We are also into report writing which is always a busy time of year as students are completing last minute subject assessment tasks.

Reports will be available at the end of term.

**LOST ITEMS**

We recognise it is inevitable that items will be misplaced by students. To assist in reuniting lost items with their owner we would like to highlight the importance of clear labelling with students full name and current class on all items.

Lost property will be located in a central collection point;

- Primary years; the corridor outside the Stephanie Alexander Kitchen
- Secondary years; under the stairwell in M building

Students are encouraged to take responsibility for their own belongings and if missing check appropriate collection areas throughout the school day. Parents seeking lost items should check the lost property before school (8:40am – 8:55am) or after school (3.05pm – 3.30pm) to claim items.

Unclaimed but labelled items will be returned to their rightful owners after each clean-up of the lost property. At the end of each term any unclaimed uniform items in good condition will be utilised by the school and all non-uniform items in good condition will be donated to a local charity.

**LET YOUR CHILD GROW WITH US**

The Heights Preschool is an integral part of The Heights P-12 School. We provide an engaging and stimulating learning environment for children. Our philosophy revolves around play as a tool for learning. We encourage children to be curious and to seek answers through learning, underpinned by a partnership with family and the community.

If you would like to request a Preschool Registration Form for 2021 please contact Daniella Dunne on the details below.

## STAGE 2 FOOD AND HOSPITALITY SOUP DRIVE

It gave us great pleasure again this year to help the Pathways Community Centre, located on Milne Rd at Modbury, in providing fresh soup to their many clients. Unfortunately, unlike last year due to COVID-19 restrictions the students were unable to visit the Community Centre and serve the soup, so the soup was delivered in microwave safe containers for easy transportation and distribution. The focus of the day was to create nutritious soups for a community group while also considering food sustainability.

Pathways Community Centre does an amazing job in our community. Last year the Centre served around 120-150 families with fresh food items, however since March this year an extra 1000 families in our area have registered for food hampers. In total, the students made 43 litres of heartwarming soups, ranging from traditional chicken and vegetable made by Shane, Kehan and Max, to a delicious roasted capsicum soup prepared by Claudia and Minuka.

Even though the students were unable to serve the soup, they should be immensely proud of their efforts in supporting an important and crucial community initiative. Mrs Kaye Flack, Executive Assistant at the centre expressed her appreciation and eagerly handed out the soup as soon as it was delivered.
