## PRINCIPAL'S MESSAGE

Thank you to all of our families for your cooperation supporting expectations as restrictions from the state's lockdown gradually lift; especially parents for minimising your presence in the school buildings and balconies. We are also very pleased with students in Years 8-12 and parent cooperation with the expectation to wear masks. We have plenty of masks available should any of our students get caught short without one. I have noticed many parents doing the right thing in terms of keeping out of buildings and wearing masks too.

Fortunately we are still able to manage many school events and activities, even those involving large gatherings are able to go ahead with some modifications.

Please continue to QR scan in if coming onto the grounds and keep your children home if they are unwell.

Wakikirri went ahead on Tuesday night at the Entertainment Centre in a modified manner and we thank our students, organising teacher Penny Phillips and her support staff.

### SALA Art Exhibition

The South Australian Living Artists Exhibition commences Monday and this is always a wonderful showcase event featuring entries across our P-12 school.

Keep an eye on a future newsletter for the announcement of the prize winning entries.

### Next Week (Week 5)

Next week sees our Year 5 students on camp at Adare.

We also celebrate Science Week with many activities planned to promote and share the learning activities and possibilities in the world of science.

### SSO Week – Appreciation of our Support Staff

SSO Week commences Monday 16th August where we recognise the work of our school support staff throughout the week. We have a great support staff team who work tirelessly, promoting a positive service culture and presenting a great connection to our school community and our teaching and learning programs.

Thank you to you all - we feel very fortunate at The Heights School to have you working with us. Enjoy your week - we have a few treats planned for you.

### School Closure

Reminder students are not at school on **Friday 3rd September** as staff are involved in a professional learning program.

**Monday 6th September** is the annual school closure day.

Nigel Gill  
Principal

## SRC WELLBEING FUNDRAISING

Late last term the SRC and other volunteers organised lunch time activities for all students. This included making wrist bands, loom bands, drawing, building with clay, bubble blowing and music. It was a great opportunity for our middle and senior school students to work together with our primary students. We were also able to confirm the total amount raised for the bake sale and non-school uniform day was \$2002. This was also a good chance to celebrate Pride month as a whole school.

Coming up this term, the SRC and wellbeing team will be celebrating and planning R U OK? Day which is on Thursday 9th September (Week 8) - more information to come. The SRC will also attend the annual Youth Leadership Conference later this term run by the Tea Tree Gully Council and help with Book Week activities in the coming weeks.

## JOGO BONITO SOCCER LEAGUE

In Term 2 from Week 4 to Week 10 there was a Soccer League organised by Mr Asbanu. The soccer league was called Jogo Bonito (Beautiful Game).

This competition was designed for Year 9 to Year 11 boys. The team consisted of 10 players made of 3 Year 9s, 3 Year 10s and 3 Year 11s. The competition was to promote fair play, positive thinking, and teamwork among the student from different year levels. The games took place at lunch time every Tuesday and Thursday. Four teams participated in the Jogo Bonito League.

The game was originally planned to be played 12 times, but due to some severe weather and some players involved in work experience, only 8 games were played. After 6 games were played, Team 4, which became known as Two Touches One Goal FC, came out as the winner. The winning players were **Liam (C), Arip (C), Lucas, Jeze, Zarif, Om, Aritro, Mayen and Abhi**. The students really enjoyed the competition and want to continue next term.

The medals were presented by Mr Nigel Gill in Week 10.

Through the Jogo Bonito League we have discovered that at The Heights School we have some great soccer players with good talent. To keep up the excellent work there will more of the soccer league this term and next term for middle years students (Year 6 – Year 8).

Here are some photos from Jogo Bonito Soccer League.
