PRINCIPAL'S MESSAGE

Welcome Back to School 2022

After a staggered start to school saw Preschool, Reception, Year 1, 7, 8 and 12 return to face to face learning on Wednesday 2 February, we finally got to welcome back all year levels on Monday, 14 February. We are delighted to have all students back with us for an exciting year of learning and thank

both students and families for their resilience, patience and understanding as we navigate the various changes in restrictions.

REPORTING A STUDENT ABSENCE

Students are absent from school or late at times for all sorts of reasons. Could you please let the school know if your child is going to be late or absent and the reason, so we can record the absence correctly and keep track of where students are during the school day.

You can report your child's absence in the following ways:

- **Phone the school on 8263 6244**
- **Email student services on dl.1430.studentservices@schools.sa.edu.au**

If your child arrives late to school or needs to leave early, it is very important that they go to Student Services and sign in or out, so that we know when students are on site. Could you please provide a note in your child's diary or email Student Services if your child needs to sign out early for any reason, as we need parental permission before we can let your child leave the school grounds.

Similarly, a note or email is also helpful when your child signs in late so we can mark the absence correctly, otherwise it will be marked as an unexplained absence.

Thank you,

Student Services

UNIFORM SHOP NEWS

We have been very busy this term assisting families to prepare for the new school year.

Whilst we carefully plan and try to predict the stock levels required to meet the needs of our students, sometimes things go wrong!

Unfortunately our supplier is experiencing some difficulty sourcing some uniform items and a few items are currently out of stock.

Quarter zip windcheaters and full zip jackets are out of stock in several sizes, estimated delivery is the end of March.

PE shirts, polo shirts, wide leg track pants, summer dresses and skirts are out of stock in some sizes, estimated delivery is the end of February.

We are also experiencing delivery delays with Year 12 Seniors polos. Estimated delivery is mid March.

I have notified school staff of these delays. If your child has an order in place for an out of stock item, they are able to wear non-uniform clothing to school until orders arrive.

If you have placed an order for an item that is out of stock, we will contact you when your order is ready.

Thank you for your patience and understanding, these delays are out of our control.

I have included the general school uniform requirements for your information.

(Also see *Online Ordering Instructions* on the next page.)

SCHOOL UNIFORM REQUIREMENTS

Reception to Year 6:

School Shirt (Polo Shirt or P.E Shirt)

Plain navy blue Pants/Shorts/Skirts (school logo not required) **NO DENIM OR LEGGINGS**

School Windcheater/Jacket

School Summer dress/Tartan skirt/Pinafore (purchased from the School Uniform Shop)

School Hat or plain navy blue hat

Year 7 to Year 12:

School Shirt (Polo Shirt or P.E Shirt)

IGNITE

IGNITE

at The Heights School

REGISTER NOW

IGNITE is a specialist program for students with high intellectual potential. The Heights School is the official Department for Education school for gifted learners in the northern metropolitan area of Adelaide.

HOW DO I KNOW IF MY CHILD IS GIFTED?

The characteristics of gifted learners vary, however, many display some or all of the following traits:

- High levels of curiosity and deep levels of knowledge in one or more areas
- Excellent creative thinking and ability to problem solve
- Strong empathy and sense of social justice
- Highly developed sense of humour

Initial selection for the IGNITE program is based on performance in the Australian Council for Education (ACER) Gifted and Talented Assessment.

Year 6 students are eligible to sit the test for a place in the Year 7 IGNITE program for 2023

IGNITE SELECTION TEST

Due to Covid Restrictions the date for testing has changed to

YEAR 6 TEST: SATURDAY 26 MARCH 2022 9AM-1PM

LOCATION: THE HEIGHTS SCHOOL, BRUNEL DRIVE, MODBURY HEIGHTS, 5092

Register your child to sit the test at: <https://www.theheights.sa.edu.au/index.php/programs/ignite/>
A registration fee of \$125 applies for non-school card holders. Registrations close Friday 18 March 2022

P-12 2022 PHOTO DAY

SCHOOL PHOTO DAYS

Tuesday 8th February 2022 for Years Reception, 1, 7, 8 and 12 Thursday 3rd March 2022 for Years 2 to 6 and Years 9 to 11 (and Family Photos)

PLEASE NOTE: Traditional or Composite group and the presentation format are chosen by your school. Sibling photos, if available, can also be ordered online and must be ordered prior to your photo day. A late fee will apply for photos purchased after ordering has closed.

HOW TO ORDER

ORDER ONLINE

Online payment options include Visa, Mastercard and PayPal. Alternatively, you can choose to pay over 10 weeks using LatitudePay.

STEP 1

Go to www.advancedlife.com.au on your computer, phone or tablet.

STEP 2

Enter your school code: **4NQ CDT YMN** in the 'order and download' box. This will take you to your school's secure online ordering site.

STEP 3

Click on 'Order Photos' and complete your details and procedures. During this process you can place orders for additional children at your school and sibling photos, if available.

School photographs will be returned to your school 4-6 weeks after the day of photography

IMPORTANT INFORMATION

If parents/legal guardians have not given permission for their child to be photographed/recorded by external media organisations then their child's photo will not be taken, even if a photo order is placed.

If you would like to change your permission preference, please **contact the school** on **8263 6244** and let us know you wish to change permission for your child to be photographed/recorded by external media organisations for publication/broadcast.

You will need to sign a new permission form during the first week of school.

ABORIGINAL EDUCATION

Introducing the Aboriginal Education Team

Nina Marni and welcome to Term 1. My name is Aaron Murray-Raschella and I am part of the Aboriginal Education Team here at The Heights School. Myself being the Aboriginal Secondary Education and Transition Officer (ASETO), I have a focus on wellbeing and engagement and our two Aboriginal Education Teachers (AET), Mr Stephen Miles and Mr Luke Barmby have a focus on high expectations and improving outcomes for Aboriginal students through the key learning areas of literacy and numeracy.

It has been a pleasure to work with our Aboriginal and Torres Strait Islander students these past 3 years. Our students have been incredibly eager to learn more about their own culture and the culture of others and share their knowledge with their peers. Our team looks forward to supporting each student's wellbeing, education, and cultural learning needs for the rest of the school year and bringing a greater cultural awareness to The Heights School community.

In case you were wondering about us, here is a bit of background information...

My father migrated to Australia as a child from Calabria, Italy, and my mother was born in Adelaide and raised in Coober Pedy, having Wamba Wamba/Wiradjuri roots. I've grown up in a diverse household, which has given me a great deal of respect for the multiculturalism that is Australia. Having worked for many years in Aboriginal Education out North and in the West I have really enjoyed following my passion for Aboriginal culture and children's education.

Hi, my name is Stephen Miles and I have been the Aboriginal Education Teacher at The Heights School for the last four years. My previous experience with Indigenous students was working for Aboriginal Tutoring. This year I am working with secondary students from Years 7-12 helping them with assignments and tasks so their literacy and numeracy improves. I also run the Rock and Water program, a social program which builds self confidence in students. We are very proud of the Aboriginal students at The Heights who have moved on to tertiary education and employment. I look forward to seeing what our Aboriginal students can achieve in 2022.

Hi, my name is Luke Barmby and I have been teaching for over 11 years with middle school experience and as an Aboriginal Education Teacher. My family is from Australia, with my father's side descending from Wilcannia, the Barkindji people. I grew up with my two brothers unsure of my ancestry and the cultural ties of being Indigenous so I am passionate to work with students to learn about Aboriginal culture, develop their skills as learners and increase their engagement at school.

If you have any questions, concerns, or just want to chat, please feel free to contact us at the school on Monday - Friday 8.30am - 4.00pm.

BIN SHIFT RECYCLING SYSTEM AT THE HEIGHTS SCHOOL - SRC INITIATIVE

The Heights School has recently initiated a whole school recycling system to encourage our students and community to reduce the amount of waste that goes to landfill from our school. The 2021 SRC team worked hard to get this new initiative off the ground in 2021 and we look forward to seeing improvements in many areas throughout 2022! Bin Shift is a local South Australian company. We have purchased:

- Paper/cardboard recycling bins for every primary classroom and all secondary areas
- Soft plastics recycling bins for every primary classroom and all secondary areas
- 10c deposit recycling bins for shared indoor spaces around the school. The cans/bottles recycled through this will be added to our Pedal Prix outside bin system already in place!

Each class and home group has access to a slideshow presentation that explains the new recycling system and the importance of everyone in our community doing their bit to improve how we manage waste at The Heights.

Soft plastics are important to recycle. Our classroom soft plastics bins will be emptied into the big frog wheelie bin in the Stephanie Alexander Garden, which will then be taken to one of the local Soft Plastics recycling stations by our wonderful Garden staff (located outside Woolworths, Coles and other supermarkets). Plastics that can be recycled include:

- | | | |
|---|--|---|
| • Biscuit packets (outer wrapper only) | • Ice cream wrappers | • Document sleeves (remove the white reinforcement strip along the holes) |
| • Bread bags (without the tie) | • Lolly bags | • Green bags (woven polypropylene bags) |
| • Chip and cracker packets (silver lined) | • Fresh produce bags | • Large sheets of plastic that furniture comes wrapped in (cut into A3 size pieces) |
| • Cling Wrap | • Cereal box liners | • Rice bags - both plastic and the woven type (if large, cut into A3 size pieces) |
| • Snap lock bags / zip lock bags | • <u>Plastic</u> Australia Post satchels | • Plastic wrap from grocery items such as nappies and toilet paper |
| • Squeeze pouches with lid on (e.g. yogurt/baby food) | • Plastic carrier bags from all stores | |
| • Chocolate and snack bar wrappers | • Bubble wrap (large sheets cut into A3 size pieces) | |
| • Frozen food bags | • Cellophane from bunches of flowers (cut into A3 size pieces) | |

The SRC will be responsible for coordinating the new Recycling system, but we need **everyone's** help and support!

We need your help to:

- 1) **Think** about how you could reduce the amount of waste (especially plastics) you contribute to personally
- 2) **Place** rubbish in the correct bins at school. We will also be improving our outdoor bin labelling soon.
- 3) **Students can volunteer** to help with our environment plan: eg helping to empty the bins, reporting problems to school staff
- 4) **Students can nominate** themselves to join the school SRC!!! SRC members will be expected to support and lead our school's environment improvement plan

Kind regards

Suzanne Ierace (Student Wellbeing Leader), Daniel Brzezinski (Student Wellbeing Leader)

and The Heights School R-12 SRC

SOME FACTS ABOUT PLASTICS

HARMONY WEEK

What is Harmony Week?

It is a time to celebrate Australian multiculturalism, and the successful integration of migrants into our community.

Australia is one of the most successful multicultural countries in the world and we should celebrate this and work to maintain it.

Harmony Week is about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background, united by a set of core Australian values.

How to celebrate?

Let's come together with friends and family and through schools, workplaces and our wider communities to celebrate our diversity.

Why orange?

Orange is the colour chosen to represent Harmony Week. Traditionally, orange signifies social communication and meaningful conversations. It also relates to the freedom of ideas and encouragement of mutual respect. Australians can choose to wear something orange during Harmony Week to show their support for cultural diversity and an inclusive Australia.

Our cultural diversity

Australia is a vibrant and multicultural country — from the oldest continuous culture of our first Australians to the cultures of our newest arrivals from around the world.

Our cultural diversity is one of our greatest strengths and is at the heart of who we are. It makes Australia a great place to live.

An integrated multicultural Australia is an integral part of our national identity. All people who migrate to Australia bring with them some of their own cultural and religious traditions, as well as taking on many new traditions. Collectively, these traditions have enriched our nation.

Facts and figures

There are some fascinating statistics about Australia's diversity that can be good conversation-starters:

- nearly half (49 per cent) of Australians were born overseas or have at least one parent who was
- we identify with over 300 ancestries
- since 1945, more than 7.5 million people have migrated to Australia
- 85 per cent of Australians agree multiculturalism has been good for Australia
- apart from English, the most common languages spoken in Australia are Mandarin, Arabic, Cantonese, Vietnamese, Italian, Greek, Tagalog/Filipino, Hindi, Spanish and Punjabi
- more than 70 Indigenous languages are spoken in Australia.

These facts are taken from ABS 2016 Census Data. Check out the Australian Bureau of Statistics website <http://www.abs.gov.au/>

SAFETY AROUND SCHOOLS

School zones

Drivers must slow their vehicles to 25km/h in a school zone at any time, day or night, when a child is present. A zigzag white line is also usually marked on the road to let drivers know they are approaching a school zone.

School crossings

You cannot stop within 20m of the approach side or 10m of the departure side of a school crossing. This rule applies to all pedestrian crossings.

Koala crossings

A Koala crossing consists of two yellow flashing lights mounted on red and white striped poles.

A 25km/h speed limit applies when the lights are flashing.

A driver must give way to any pedestrian.

We want to ensure the safety of children, pedestrians and motorists around our streets and schools.

Parents and caregivers have a great responsibility to ensure children stay safe in school zones and have a key role in educating children about road safety.

Helpful tips for parking around schools

- Allow enough time to take the child to the school gate safely without rushing
- Always observe parking signs and speed limits in and around school zones. They are designed to keep children safe
- Talk about signs and traffic lights with your child. Identify and discuss places where it is safe to get in and out of the car
- Teach your child how to cross the road using the 'stop, look and listen' process – stop at the kerb, look and listen for traffic and then decide whether it is safe to cross
- Park a few streets away and walk your child to school. This is also good exercise and helps teach your child road safety rules.

Note – Council officers patrol school parking in the morning and afternoon during school terms.

Emu crossings

An Emu crossing has a red 'Children Crossing' flag displayed on red and white striped posts.

The speed restriction of 25km/h applies at any time when a child is present so slow down to be safe and take care of children.

Bicycle lanes

Bicycle lanes run alongside kerbs or next to parking lanes. They are indicated by painted lines, bicycle symbols and bicycle lane signs, or the word 'lane' painted in white. Some bicycle lanes (or sections of lanes) are painted green.

Some bicycle lanes operate around the clock. Others only operate during peak travel times (as specified on the signs) to allow parking for local businesses and residents.

It is illegal to drive, park or stop your vehicle in a bicycle lane and fines apply.

Common parking problems

No Stopping

You must not park or stop in a No Stopping Zone for any reason. A continuous yellow line marked on the edge of the road has the same meaning as a No Stopping zone.

No Parking

You can only stop in a No Parking area for the immediate purpose of picking up or dropping off passengers or goods. You must not leave the vehicle unattended (no more than three metres away).

You can wait in this location no more than two minutes (without moving).

Double parking

Drivers must not stop next to a parked vehicle when picking up or dropping off children, not even for a few seconds. This practice is illegal and creates dangerous situations at any time on any street.

SAFETY AROUND SCHOOLS

Driveways

You may park so that the front of your vehicle is level with the approach or the back is level with the departure side of a driveway to any private or public property so that vehicles can enter and depart.

Footpaths or nature strip

Parking is prohibited at all times. It creates dangerous situations for pedestrians and other vehicles in the vicinity.

Bus zones

You must not stop or park in a bus zone at any time.

Kiss and drop

This is an area near the school gates for you to drop your child off safely and quickly. The intention is that drivers do not wait in these zones and that they stay in the vehicle so queues are minimised.
