Sign In

Enter your parent code as your username and your password, then click Sign In.

Note: If you cannot remember your username/password or haven't logged into the Daymap Parent Portal, click on the "Forgot your password" link to retrieve your username and reset your password. You'll need to enter your email address that is registered with the school, along with a matching student code and click "Reset Password".

Instructions containing the registered email address and student code were emailed out to all families at the beginning of the year. Student Codes can also be obtained for students in years 6-12 from their Student Card.

If you do not know your registered email address or require a student code for a student in years R-5, please contact The Heights School on 8263 6244 for assistance.
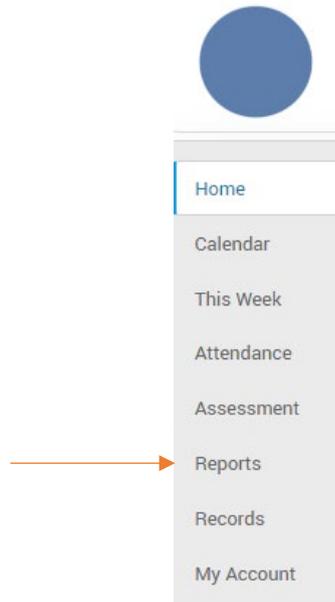

Accessing Student Reports

Once you are logged in to the Parent Portal, you will see a list of your children under the heading "My Students"

Click your child's name, then click Reports.

A new screen will open, displaying all reports for this student.

Clicking a report will download it to your computer.
