PRINCIPAL'S MESSAGE

Week 8 is a busy week for our Year 10 students undertaking work experience which connects with their work in PLP (Personal Learning Plan) next semester. Thank you to all the students, parents/caregivers, Year 10 homegroup teachers, Year 10 History / PLP teachers, David Osborn and Khara Rogers for the time and effort given to make this opportunity a rewarding one for our students.

Last Friday, 10th June was a Pupil Free Professional Learning Day. I would like to acknowledge the significant planning that came together to provide a rich and collaborative day for our teaching and school support staff. It was great for staff to be able to meet in a face to face environment and work collaboratively. Our SSO staff had an opportunity to visit the new Riverbanks College B-12 and hear from their staff about the plans and development in a new space.

REMINDERS:

LAST DAY TERM 2:

Friday 8 July 2022
(2.05pm Dismissal)

PUPIL FREE DAY:

Monday 25 July 2022

FIRST DAY TERM 3:

Tuesday 26 July 2022

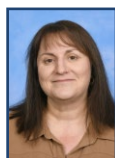

Friday 10th June was also the day of the Class of 2022's school formal which was held at Sfera's on the Park. The evening began with a reception that parents, caregivers and families could attend. This was an enjoyable beginning to the evening where families, students and teachers were all able to mingle. It also provided a chance for families to take photos of their child with their friends all dressed up in celebration of their Year 12 year. At 6.45pm families were farewelled and the Class of 2022 remained for dinner, fun awards, music and lots of dancing. Thanks to our organising staff and in particular Year 12 Year Level Leader Arthur Roubanis.

Year 11 Examinations commence this Thursday June 23rd and conclude on Tuesday 28th June. No formal lessons occur for Year 11 students during the exam period with students only required at school for their exams. This is an important opportunity for students to practice revision skills in preparation for Year 12. Semester 2 for Year 11 students begins on Wednesday 29th June.

For Year 7 to 10 students, Semester 2 commences next Monday on the 27th June. Some of their subjects and teachers will change.

We are also into report writing for Reception to Year 12 which is always a busy time of year.

Reports will be available via Daymap from Wednesday 13th July.

Acting Principal

PRESCHOOL - ENROLLING NOW FOR 2023

Register for Preschool in 2023 by 30 June 2022

A mid-year intake into preschool is starting in 2023. Parents can enrol children born in the middle of the year at a time appropriate to their age and their stage of development.

Term 1, 2023 – January intake

Children who turn 4 years old before 1 May in 2023 can continue to start preschool at the beginning of the year.

Term 3, 2023 – July intake (mid-year)

Children who turn 4 years old from 1 May to 31 October in 2023 can commence preschool at the start of Term 3.

All preschool children will receive 600 hours of preschool across 4 terms.

Children starting preschool in the 2023 mid-year intake, will complete Terms 3 and 4 plus Terms 1 and 2 of the following year. They will then start school in Term 3, 2024 for the 2024 mid-year intake and complete 6 terms of Reception.

Immunisation requirements before starting preschool

Children cannot be enrolled in or attend preschool unless all immunisation requirements are met (No Jab, No Play).

Registrations of interest by 30 June 2022

Families will be invited to submit registrations of interest for the 2023 mid-year entry via the existing registration of interest form. This is available by visiting the enrolment section of our website and initiating an enquiry or selecting the link below.

BUS STOP NUMBER CHANGES

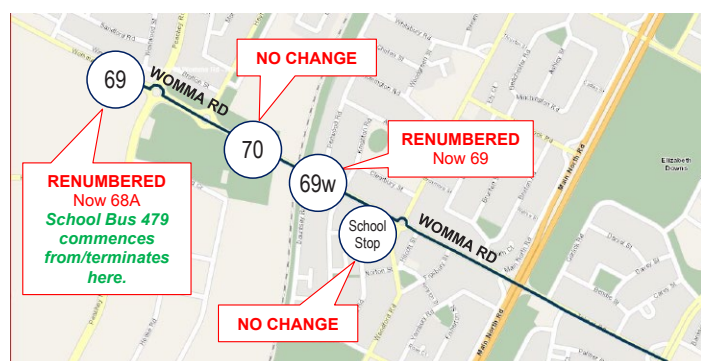

Adelaide Metro have released updated bus stop numbers along Womma Road that may affect students who catch the 479 school bus. Detailed information can be found in the map below.

There are no changes to routes or timetables.

Bus Stop Renumbering Womma Road

As from Monday 20 June 2022, two bus stops will be renumbered on Womma Road, impacting on **School Bus 479**.

There will be NO route or timing changes.

MASA MATHS COMPETITION

In Term 1, some of our students participated in the Hamann School Mathematics Competition for Society of Petroleum Engineers through The Mathematical Association of South Australia.

The competition is designed to encourage interested and motivated students to enjoy the challenge of non-standard problems.

We'd like to acknowledge the following Year 6 students who demonstrated a growth mindset when approaching the non-routine questions and congratulate them for their effort.

MARNI WINGKU

On Wednesday 15th of June Secondary Aboriginal students attended Marni Wingku an immersive on-campus program for Aboriginal high school students, run by Wirltu Yarlur Aboriginal Education at the University of Adelaide.

After a morning welcome by Kaurna elder Uncle Rod Obrien and orientation the students participated in innovative, enquiry-based workshops from a range of university disciplines. These included uni life activities, dentistry, social media and off world rover simulation in the new Exterres Laboratory. The lab, which is the first of its kind in Australia, is an off-Earth surface testing environment for space technology like rovers, which are destined for the furthest reaches of the universe.

These workshops are specifically designed to reinforce to students that university is a realistic goal that will enrich their lives; and empower within them the confidence and direction to pursue their ongoing education and career aspirations.

PEDAL PRIX VICTORIA PARK RACE

On Sunday 19th June The Heights Pedal Prix students raced at Victoria Park for the first time this year. With the rain holding off for the 6 hours race, the day was a great success for the students riding. With a brand-new vehicle, the 2 bikes did a fantastic job producing fast times and overtaking many other schools in their category. A massive thanks to Year 12 student Gemma Blake who helped the students on Sunday after riding in the adult race on Saturday, a long weekend of racing for her. The next race is in August at The Bend racetrack which should be an experience!

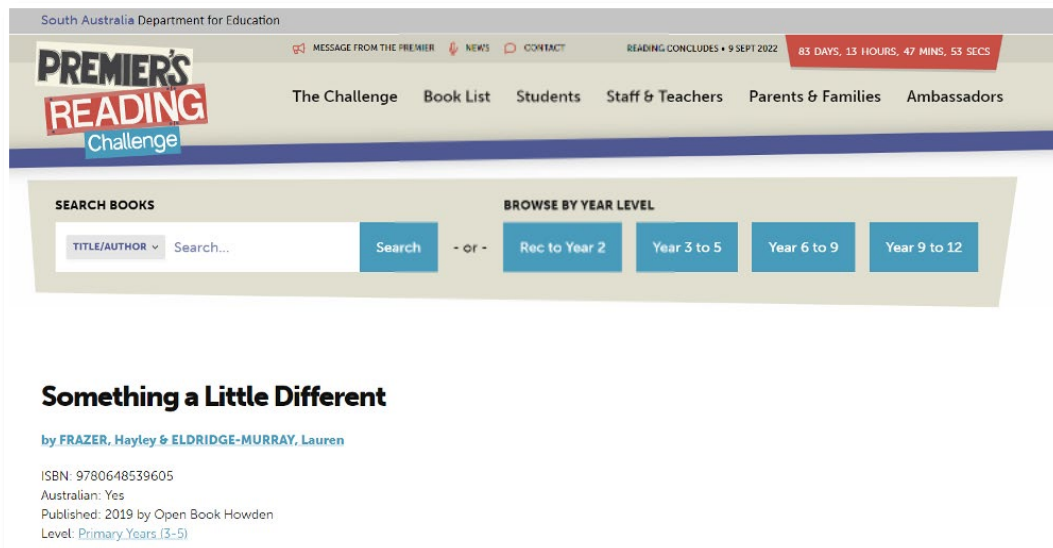

STUDENT ACHIEVEMENT

Last year we revealed a request made by Blair Boyer MP - State Member for Wright, to the then Minister for Education, with regard to considering student Hayley Frazer's book 'Something A Little Different', for the South Australian Premier's Reading Challenge.

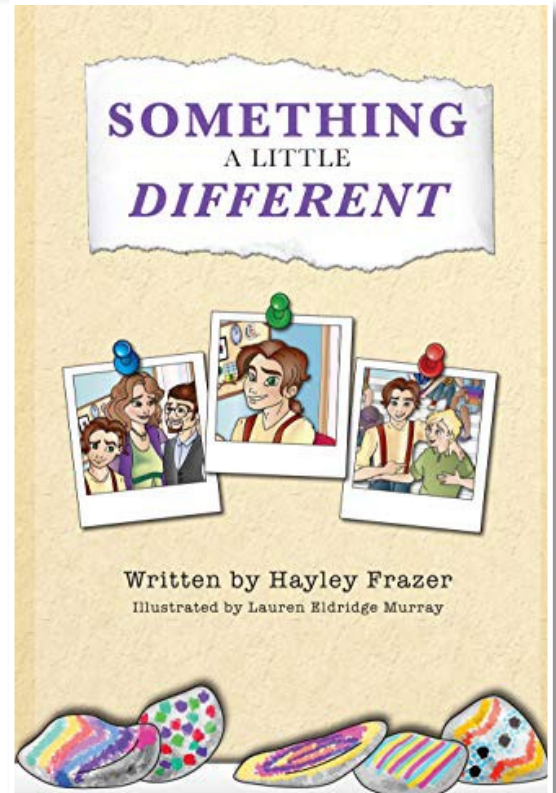

Since publishing in 2019 Hayley's book has been shortlisted for the Speech Pathology Australia 2020 Book of the Year in the 8-10 age category and in 2021 was included in Victoria's Premier's Reading Challenge, Years 3 and 4.

I am happy to report that Hayley's book has been added to the 2022 South Australian Premier's Reading Challenge list!

Congratulations on this achievement.

YEAR 9 VISUAL ART

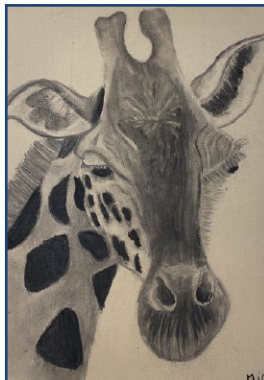

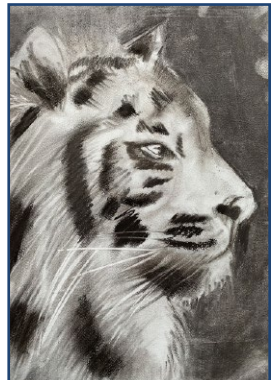

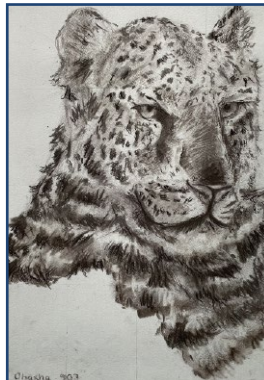

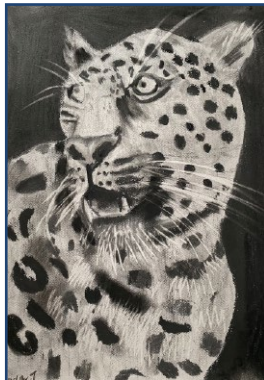

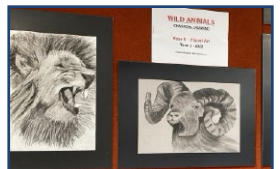

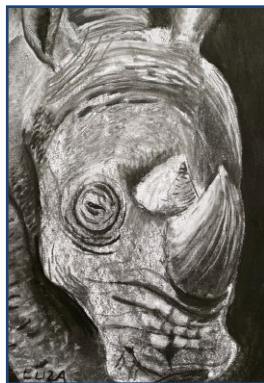

Wild Animals

This term, to enrich the Year 9s learning, I challenged students with charcoal drawing. They developed their shading skills using a variety of tools to achieve the best outcome. The theme was 'Wild Animals'. Each student randomly chose an image via a 'lucky dip' system. They did not see their image till they turned it over. This way, some students had to work outside their comfort zone, with amazing results. They learned to enlarge the image via a grid technique. This incorporates numeracy skills, such as measuring, symmetry and proportion.

As you can see from these images, students produced brilliant work. These, and more artwork, can be seen displayed in BF Common.

Well done Year 9s.

Petra Dolezalova, Visual Art Teacher

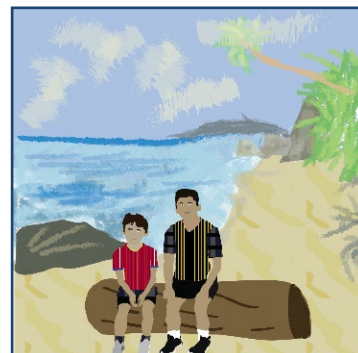

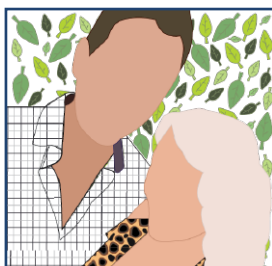

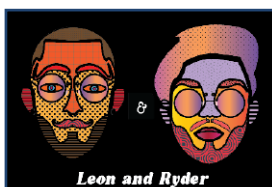

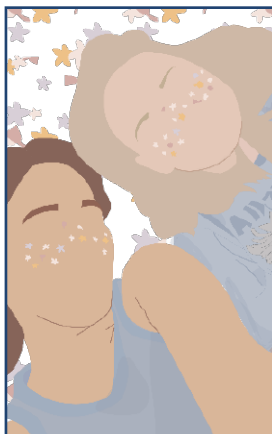

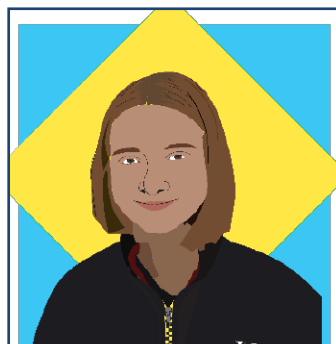

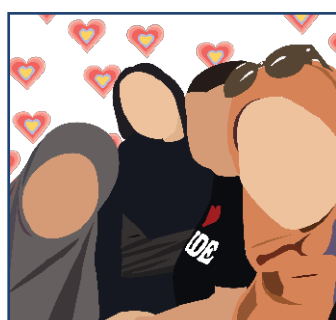

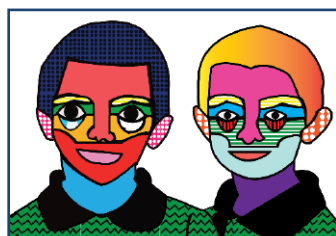

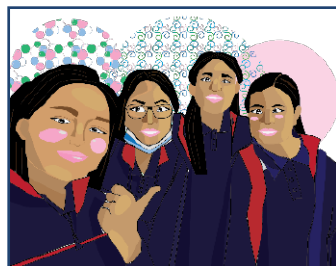

YEAR 9 GRAPHIC DESIGN

Digital Portraits

Year 9 Graphic Design students have been busy creating stylised 'digital portraits' of their family and friends. The students were inspired by a range of practitioners, including Craig and Karl, Sehee Chae (Pie), Teddy Phillips as well as others. Students then used their Adobe Illustrator skills to create a diverse range of final portraits. Well done to all students on their final creations!

Ms Dawson, Visual Art and Media Arts Teacher

2022 SACE STAGE 1 END OF SEMESTER EXAMS 23rd – 28th June

Dear Parent / Caregiver,

Stage 1 End of Semester Exams are fast approaching. These provide your child with an opportunity to develop an understanding of, and familiarisation with, SACE exam policies and procedures in preparation for their Stage 2 examinations next year.

The End of Semester Exams will occur over **4 school days** with a weekend in between. This timeframe also allows for minimal impact on lesson time and provides some respite between exams, with the weekend providing additional revision time.

The exams will occur on **Thursday of Week 8 (23rd June)** and the following **Monday and Tuesday of Week 9 (27th and 28th June)**.

Lessons as normal will occur in Term 2 Week 8 from Monday to Wednesday for all Stage 1 students. **Students of non-examinable subjects are expected to continue working on set tasks during the 4 day trial exam period.**

Please ensure your child is prepared and understands the crucial importance of these trial exams and follow the below guidelines:

- There are no formal Stage 1 lessons from **23rd to the 28th June**
- Students are to **arrive 10 minutes** before written exam time and **20 minutes before online exams**, attending with subject appropriate materials
- Formal Stage 1 lessons resume on **Wednesday 29th of June**
- **All Students must be in full school uniform.**

Kind regards,

Ian Benjafield

Sfera's Park Suites & Convention Centre

THE HEIGHTS SCHOOL FORMAL

The Heights School 2022 Year 12 Formal was held at Sfera's Convention Centre on Friday 10th June.

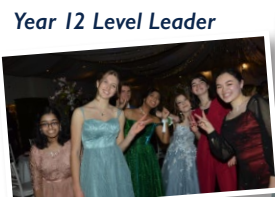

The event began at 6pm with a pre Formal gathering of over 300 students, parents and friends and at 7 pm over 150 students and their partners were admitted to the Ballroom.

As these photos clearly demonstrate, the students looked amazing in their formal wear and really enjoyed the company of their peers and attending staff throughout the night. A highlight of the night was the presentation of special awards to some of the Year 12 students. The students took it upon themselves to make the Formal as magical and memorable as possible.

Congratulations Year 12 - we hope it was a night you'll remember for years to come.

Mr Roubanis

Year 12 Level Leader
