PRINCIPAL'S MESSAGE

This is our final Newsletter for Term 2. Term 2 has seen a return of many activities that could not take place during COVID-19 restrictions. This has been very rewarding for staff and students.

Nigel Gill will be in an acting position as an Education Director in the Gawler area for Term 3. I am looking forward to continuing in the role of Acting Principal during that time. We wish Nigel well in his work as an Education Director.

I wish everyone a safe and enjoyable two-week break. Thank you to the students and staff for their effort and hard work throughout a very busy term.

Just a reminder that we have an early dismissal at 2.05pm on Friday 8 July and students return to school for Term 3 on Tuesday 26th July.

Meg Fay
Acting Principal

REMINDERS:

LAST DAY TERM 2:

Friday 8 July 2022
(2.05pm Dismissal)

PUPIL FREE DAY:

Monday 25 July 2022

FIRST DAY TERM 3:

Tuesday 26 July 2022

PRIMARY YEARS LOST ITEMS

We recognise it is inevitable that items will be misplaced by students. To assist in reuniting lost items to their owner we would like to highlight the importance of clear labelling with the student's full name and current class on all items.

Lost property will be located in a central collection point;

- Primary years; the corridor outside the Stephanie Alexander Kitchen

Students are encouraged to take responsibility for their own belongings and if missing check appropriate collection areas throughout the school day. Primary Years parents seeking lost items should check the lost property before school (8:40am – 8:55am) or after school (3.05pm – 3.30pm) to claim items.

Unclaimed but labelled items will be returned to their rightful owners after each clean-up of the lost property. At the end of each term any unclaimed uniform items in good condition will be utilised by the school and all non-uniform items in good condition will be donated to a local charity.

NAIDOC WEEK

National NAIDOC Week celebrations are held across Australia in the first week of July each year (Sunday to Sunday), to celebrate and recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC Week is an opportunity for all Australians to learn about First Nations cultures and histories and participate in celebrations of the oldest, continuous living cultures on Earth. You can support and get to know your local Aboriginal and/or Torres Strait Islander communities through activities and events held across the country.

The theme for this year's NAIDOC Week is *Get Up! Stand Up! Show Up!*

Getting Up, Standing Up and Showing Up can take many forms and for systemic change as a united country we must keep rallying around First Nations people, elders and communities. Whether it is seeking proper environmental, cultural and heritage protections, constitutional change, a comprehensive process of truth-telling, working towards treaties, or calling out racism – we must do it together.

Aaron Murray-Raschella

Aboriginal Secondary Education & Transition Officer

RESOURCE CENTRE

BOOK WEEK 2022

Just a reminder that Book Week is happening next term during **Week 5** (22 - 26 August).

The theme is “*Dreaming with eyes open...*”.

Students will be working with the short-listed books and participating in a variety of activities that encourage their love of literature.

Please have a look at the website <https://www.cbca.org.au/cbca-book-week> for more information.

PREMIER'S READING CHALLENGE 2022

Thank you to everyone who has already completed their Premier's Reading Challenge.

Special thanks go to Mr Gray and all the students in **706** for being the first class to complete the Challenge. This is the 4th consecutive year that Mr Gray's team have been winners! Great effort!

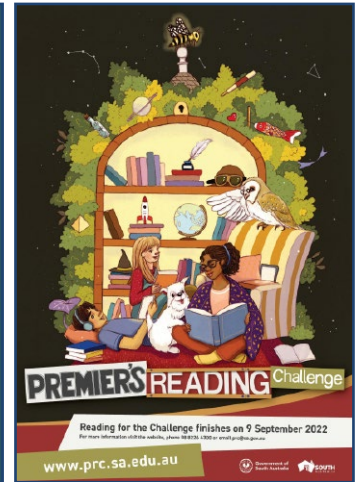

The Challenge itself concludes on September 9.

R-2 students complete the Challenge as a class while students in Years 3-6 complete their own (completed forms are then given to their class teacher). Senior students can give their forms directly to Library staff.

Students are very welcome to continue recording on the provided forms which can then be given to Library staff.

Please go to the website <https://premiersreadingchallenge.sa.edu.au> for more information or contact Library staff.

BUILDING VOCABULARY IN R03

Building robust vocabulary is vitally important for listening and reading comprehension in all year levels, but in particular in the early years of learning. In R03 we have been focusing on building understanding and use of Tier 2 words through our Literacy text focus. Tier 2 words consist of high frequency words that occur across a range of contexts, such as words like compare and characteristics.

This term we are learning about reading and writing information reports with the focus on sea animals. In class we have had many learning experiences to build our understanding of specific vocabulary such as labelling diet, habitat and characteristics to support our reading and writing goals around sea animals.

We have transferred this understanding into different contexts when we have Inquiry Play in the Junior Primary play space to support our use and comprehension of these specific words. We have been enthusiastic to build habitats for toy animals out of construction materials, label characteristics and materials of what we have built and created and thought about animals' diets to make or draw them food. It is so exciting to watch the students' creativity and eagerness to use these higher order words in their conversations and play experiences.

SAPSASA BOYS FOOTBALL

On the 1st of July, The Heights Year 5/6 Boys Football team competed in the TTG District SAPSASA Carnival at Pertaringa Oval. The boys competed in Division 1 and had some terrific matches throughout the day. Many boys were new to the sport and developed their skills throughout the day. Several boys play football for their local clubs and were outstanding leaders to the other students.

A big thank you to Sam Schulz for her support throughout the day.

The team ended up finishing 2nd; narrowly losing to the top team in their final game. Congratulations boys!

Mr Seymour
SAPSASA Coordinator
