## A WORD FROM NIGEL GILL

Dear School Community,

I write to say thank you and goodbye.

As you are aware I have been filling a temporary Acting Education Director position in Gawler and the Barossa during Term 2 and 3.

From the start of Term 4 I have been appointed to an ongoing Education Director position based at the Education Office in Felixstow looking after schools and preschools around the general areas of Campbelltown and Modbury.

This means I won't be returning to The Heights as Principal. Meg Fay who has been Acting Principal continues in this role until department selection processes make a permanent ongoing appointment.

I was officially farewelled by staff on Monday 24th October and the Governing Council at their last meeting in Term 3. I very much appreciated the kind and generous acknowledgements and well wishes. I look forward to being present and saying goodbye to students during some of our assemblies and celebration events this term.

I have relished the challenge and responsibility of being Principal of The Heights P-12 School since 2016. I thank people for their support and work over the 7 years of my principalship and wish everyone the very best.

Nigel Gill

## HOW TO BECOME A SCHOOL VOLUNTEER

### Join The Heights School Volunteer Partnership Program

We value our volunteers at The Heights School and appreciate the contributions they make to our school community supporting the education of our students.

### Where to volunteer?

There are many areas including classroom, Stephanie Alexander Kitchen Garden Program, resource centre, excursions and camps to name a few.

### Not sure if you have time?

We appreciate any time volunteers can donate. Regular volunteers are fantastic and have the most impact but if that's not possible, even half an hour can make a huge difference to an area that really needs extra support.

### How to join?

Complete and return our Volunteer Application Form together with the required documentation that is listed on the form available on our school website by scanning the QR code:

Please contact our Community Liaison Officer, Gjuzide Apat, on 8242 8900 if you would like to discuss becoming a school volunteer.

We hope to hear from you!

## SCHOOL FUNDRAISER

## People's Choice COMMUNITY LOTTERY

## YEAR 12 IN 2023 COMMEMORATIVE UNIFORM

Orders can now be placed for 2023 Year 12 Commemorative Seniors polo shirts and jackets. These are not compulsory uniform items, Year 12 students are able to continue wearing the current school uniform.

It is expected that Seniors polo shirts ordered and paid for by Friday 18 November 2022 will be available for collection from the Front Office at the end of Term 4 2022. Orders and payments will be accepted after 18 November 2022, but polo shirts will not be available for collection until Term 1 2023.

It is expected that the jackets will arrive early in Term 1 2023, date to be confirmed.

Year 11 students were given order forms during Homegroup. Spare order forms can be found at the Finance Office and Uniform Shop.

Please see below for cost and order details. If you are experiencing financial difficulty, please contact our Finance Office to discuss payment options, such as a direct debit payment plan.

If you have any questions or need assistance, please contact Maria Parry via the school on 8242 8900 or [dl.1430.uniformshop@schools.sa.edu.au](mailto:dl.1430.uniformshop@schools.sa.edu.au)

## RESOURCE CENTRE

### Scholastic Book Club

Many thanks to everyone who have purchased items from the Book Club. This allows us to purchase more valuable resources for our Library.

The majority of purchases have arrived for Issue 7 and are being distributed to students. There are still some items in transit but they should be here very soon.

Issue 8, the last for the year will be arriving soon. This is an ideal opportunity to purchase gifts for the holiday season.

You may pay directly with a credit card by visiting: [www.scholastic.com.au/loop](http://www.scholastic.com.au/loop) or download the LOOP app.

Payments are still welcome via the Finance Office.

### End-of-term

**Week 6** is the last week that students may borrow from our Library with all items needing to be returned during Week 7.

I highly recommend students join a Public Library if they have not already. In addition to being able to borrow books, there are usually activities available at little or no cost during the holiday period that your children may enjoy. All of South Australia's public libraries are connected through the OneCard network:

[https://onecard.network/client/en\\_AU/sapubliclibraries](https://onecard.network/client/en_AU/sapubliclibraries)

Please contact me in the Library if you have any questions.

## AUSTRALIAN DEFENCE FORCE PRESENTATION FOR YEAR 10 AND 11

The Australian Defence Force was invited to conduct a presentation at The Heights School on Monday 7 November 2022 for over 200 Year 10 and 11 students.

The ADF is a stable and supportive employer with over 300 career options available for students to consider. They provided information on training for every job, whether it be a role with no qualifications required, fully-paid trade apprenticeships, or a sponsored university degree that leads to a secure job upon completion. They also discussed 12-month Gap Year opportunities for students to experience life in the Defence Force, while gaining skills and life-long friends.

The session was a great opportunity to help students make an informed career decision. The session was followed by a short Q&A opportunity at the end, where students keenly asked their questions. The following topics were covered in the session:

- Roles available in the ADF
- School subjects that students will need to pass
- Options for sponsored degrees
- Short-term Gap Year opportunities
- Salaries, benefits and lifestyle of being in the ADF

*Navi Khokhar, Year 11 Leader*

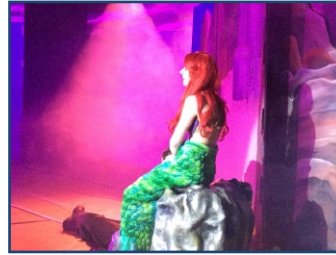

## ALPHA SHOWS - THE LITTLE MERMAID

Alpha Shows performed for all of our primary classes on 24th October in the school gym. The Little Mermaid was a full theatrical musical which expanded on the fairy tale, to look at the power of truth and the consequences of being untruthful.

Here is a selection of the feedback from students.

- We loved it because there was humour and lots of hidden jokes.
- We loved the special effects. The lighting and sound set the mood for each scene.
- I liked Captain Jack's role because of his dramatic fall in the storm scene.
- The characters voices had good volume.
- The costumes and sets were done very well. They had a lot of detail, with bright colours that stood out.
- We liked King Neptune's character and wish he was in more scenes.
- We liked the character Geeves, because of his acting and convincing gags.
- I liked how the music choices matched the theme of the scenes.
- We liked how they used popular songs to engage the audience.
- It was clever how the actors changed the scenes while playing their characters.
- It was impressive how the actors changed costumes so quickly. They changed their voices to match the new character. The characters were very convincing.
- I liked how Ariel fought for herself, instead of the prince saving her.
- The storyline changes that Alpha made in their version of The Little Mermaid, meant that it was entertaining and amusing for younger and older children.
- The choreography was well rehearsed and entertaining.
- I wish they had checked the lighting effects because some people in the audience had lights shining in their eyes.
- I wish they had done a sound check of their microphones for better audio.

## INSTRUMENTAL MUSIC CONCERT PERFORMANCE

On Wednesday 2 November 2022, Chloe Hagoort represented The Heights School in the Instrumental Music Concert Band Performance playing a clarinet solo to a packed audience at the Royal Adelaide Showgrounds.

Well done Chloe!

## STAGE 1 OUTDOOR EDUCATION BUSHWALKING CAMP

The Semester 2 Outdoor Education class headed on their Bushwalking Camp to Deep Creek Conservation Park during Week 2 of Term 4. In the weeks preceding camp, the class planned their whole experience- including hiking routes, menus, packing lists, trip logistics and risk management plans.

Day 1 included the journey to Deep Creek, with a stop off at Yankalilla Bakery for lunch. After setting up camp, a hike to Blowhole Beach followed. Despite the wet and windy weather conditions, the group took in some excellent views.

Day 2 was the Deep Creek Circuit Hike, which includes several challenging ascents and descents, and visits to Deep Creek Cove and Waterfall. The group should be commended for the support they showed each other throughout these climbs and in helping each other through.

Day 3 was a visit to Victor Harbor and Granite Island, before the journey back to The Heights, with 10 exhausted students aboard.

A particular highlight was the menus that the class planned for their camp. They were set the challenge of avoiding using two-minute noodles as dinner (a classic Outdoor Education meal). The task was well met, with meals such as chicken yiros, chickpea masala and shashuka eggs on display... not bad for a small Furno stove and no refrigeration!

*"I loved the group dynamics of the camp, because we were all inclusive and everybody just helped each other out."* Alicia

*"I loved my yiros."* Harry

*"It was a nice waterfall - it was so fluffy and foamy. It was somewhat a challenge to cross the water."* Taliah

*"It was great. The vibes were great, the walk was great and my chair was great."* Lexi

*"Overall, the camp was a success. All the students helped each other out with all aspects from food to walking. Not a single complaint the entire trip! I could not have asked for a better bunch of students to go on this camp with."* Justin (SSO)

## UNIVERSITY OF SOUTH AUSTRALIA STEM INNOVATION EXPERIENCE

This year our Year 10 Ignite students participated in the STEM Innovation Experience (STEMIE) – titled *Revolutionary Resources* and run by the University of South Australia. Over the 10-week period, students completed the STEMIE project learning about the science, technology, engineering and mathematics involved in the management of mineral resources. Students were required to complete and submit challenges to accumulate points in order to qualify for the Regional Final. The Ignite students were ably supported by Maria Provatas, Rebecca Nicholson and Louise Chatfield.

On Thursday 27th October, 9 Year 10 Ignite students attended the regional final at the University of South Australia's Mawson Lakes campus where they competed against 25 schools from South Australia, Queensland and Canberra. During the final, the students presented their combined work and then competed in the final presentation and challenges emerging victorious. They have now earned the right to compete in the national STEMIE Final which will be held on the 10th of November at the University of South Australia's Magill campus.

Well done Year 10 Ignite students!

The Heights School have participated for 3 years in STEMIE and each year have qualified for the regional final, however, this is the first time they have progressed to the nationals.

We wish the students the best of luck for the national final.

*Maria Provatas, Rebecca Nicholson and Louise Chatfield*

### Student Comments:

*'It was very interactive. We appreciated that we can present our project that we have been working on throughout the year to other schools and UniSA staff. Also, it was interesting watching and listening to other school presentations. Overall, this was an inspiring experience for anyone who wants a career in STEM.'* Jiya and Angel

*'A nail-biting experience. What a roller coaster of emotions!'* Sahib

*'An amazing and friendly experience. The UniSA staff and other students were supportive and attentive to our questions. We were able to thrive in such an environment and overcome any challenges throughout the day.'* Aliner and Sai

*'An interesting and fulfilling experience that offered us a great learning opportunity.'* Nishta and Ryan

## SAPSASA CRICKET

On the 22 October 2022, The Heights Boy's SAPSASA Cricket teams headed to TTG Cricket Club to compete against other schools at the district carnival. The boys were divided into two even teams and competed in 3 and 4 games respectively throughout the day. Both teams had mixture of experienced and new-to-the-game players. Both teams played extremely well having won all of the matches par one each in which both were narrowly defeated. Well done to all the boys who participated!

Some additional congratulations must go to Kunwar Sethi, Sam Mather and Beau Lawson, (along with Dev Trivedi who is a reserve); who were selected to represent the TTG District at the upcoming State Carnival. The boys helped the team finish fifth overall at the championship.

A massive **thank you** to Jess Hulmes who coached the one of the boy's teams during the carnival.

Congratulations to all students involved and thanks for another great carnival!

*Pierce Seymour*

## ALL SCHOOL GAMES

Three students from The Heights School participated in the All School Games which were held on Saturday 29 and Sunday 30 October 2022 at Bridgestone Athletics Stadium. Antonio Pena (701) competed in the under 14 boys 400m and 800m; Jasmine Batara (907) competed in the under 16 girls 100m and 200m; and Tryphena Hewett (1107) competed in the under 18 girls javelin, long jump, high jump and pole vault. Antonio got a silver medal in the 400m, and Tryphena got a gold medal in the long jump, a gold medal in the pole vault, a silver medal in the high jump and a bronze medal in the javelin. Both Antonio and Tryphena's performances have qualified them to compete in the National All Schools Competition which will be held here in Adelaide in December. Good luck to them both.

Melissa Hewett (Parent Submission)

## ORIENTEERING CHAMPIONSHIPS

Ben Marshall (Year 8) recently represented South Australia in the Australian Orienteering Championships and Australian Schools Championships in Victoria. Ben finished 2nd in the Australian Long Distance Orienteering Championships and 1st in the Australian Schools Relay Competition. Congratulations Ben!!!
