# Quality Improvement Plan Summary

## The Heights Preschool

Goals	Challenge of Practice	Success Criteria
<b>All children will increase their vocabulary to strengthen their oral competence.</b>	If we provide children with multiple opportunities for purposeful child:adult interactions on a daily basis, then all children will increase their vocabulary to strengthen their oral competence.	<ul style="list-style-type: none"><li>• Children will be observed using focus vocab within their play.</li><li>• Children's post test results will demonstrate an increase in their understanding of focus words.</li><li>• Children will engage in longer conversations with each other and adults, demonstrating shared sustained thinking.</li></ul>

National Quality Framework Priorities	Key steps
<b>Re-establish connections with the community (due to Covid)</b>	<ul style="list-style-type: none"><li>• Devise a plan to visit local businesses and/or invite community organisations/groups to the preschool.</li><li>• Set up a range of parenting workshops and invite parents to attend.</li><li>• Invite key community members to visit the kindy</li><li>• Invite parents to attend the preschool to share their talent/skill e.g. gardening or playing a musical instrument</li></ul>
