I have read and understood my child's obligations in relation to acceptable use of ICT assets at school. I understand that my child's access to the internet and other computer resources may/will be revoked if they fail to comply with the policy. I have ensured that my child has signed this agreement and discussed appropriate use and strategies to stay safe online with my child.

I understand that additional resources for parents on keeping children safe online are available on the eSafety Commission-er's website, <https://www.esafety.gov.au/>
