Uniform Policy and Reference Guide

Rationale

The Heights School R-12 has a school uniform that is approved by the school's Governing Council. The rationale for this is as follows:-

- ï Safe and easy identification of students in the schoolyard and excursions.
- ï Positive presentation of the school to the wider community.
- ï Reduction of competition between students regarding clothing.
- ï Appropriate clothing for our school environment.

All uniform must be purchased from The Heights School Uniform Shop with the exception of pants for Primary Years R-6.

Guidelines for School Uniform

Full student uniform must be worn at all times during the school day and for official school activities, unless an exemption has been granted by the Principal and Executive Team. When wearing the student uniform, students are expected to conduct themselves as ambassadors of The Heights School. Our school community is committed to social justice and will support families to ensure all students have access to compulsory uniform items. Students are required to wear the school uniform to and from school.

Uniform Policy

The wearing of the school uniform is compulsory for all students. We actively encourage our senior students to set a positive example by wearing the uniform correctly and consistently, serving as role models for younger students.

The wearing of school uniform promotes:

Identity

Our uniform policy reflects our values and reinforces our culture of high expectations and academic achievement. All students must dress according to the uniform policy. Wearing our uniform symbolises excellence, courage, hard work, and the commitment to become the best one can be through effort, sacrifice, and study.

Integrity

We are all ambassadors of The Heights School's long and proud history. We have strong traditions, and all students should take pride in representing The Heights School in academic, sporting, and artistic pursuits, both within our school and the wider community.

Harmony

Our school uniform promotes a strong, cohesive school identity that supports high standards and expectations in all areas of school life. It encourages harmony among the different cultural groups represented in our school, and creates a strong sense of connection and belonging.

Safety

The school uniform is important for the safety of all students, as it helps staff and students easily identify who belongs on school grounds, making strangers stand out.
