

IGNITE Information Session

Term 4 Thursday 29th October

6pm- 7pm

ABOUT THIS EVENT

The Heights School are holding an information evening for all students enrolled in the Ignite program for Year 7, 2027. We are excited to welcome all continuing and new families to the Ignite program and cannot wait to see what you will achieve.

Ignite is a specialist program for students who are gifted, talented or with high intellectual potential. The Heights is the official Department for Education school for gifted learners in the northern metropolitan area and is one of only three Ignite schools in South Australia.

We invite you to join us to learn more about the structure and philosophies of the program, characteristics of gifted learners and the exciting journey ahead for your child. This session will be split into two distinct sessions: parents/caregivers and students. This structure will allow the class of 2032 to meet their peers and work with our current Ignite students. Parents/caregivers will hear from the Ignite and High Potential Leadership team and have an opportunity to ask questions about your child's education.
