

IGNITE Prospective Students Information Evening

Term 4 Thursday 29th October 5pm-6pm

ABOUT THIS EVENT

We would like to take this opportunity to invite all families interested in sitting the IGNITE test in 2027 for entry to year 7 2028 IGNITE program at The Heights School to an information evening on Thursday 29th of October from 5pm-6pm.

This evening is for parents/caregivers, together with their children interested in **ignite testing, February 2027**, for entry in Year 7, 2028.

Ignite is a specialist program for students who are gifted, talented or with high intellectual potential. The Heights is the official Department for Education school for gifted learners in the northern metropolitan area and is one of only three Ignite schools in South Australia.

We invite the families of current Year 5 students to join us to learn more about the structure and philosophy of the program, characteristics of gifted learners and the selection process. This event is also an excellent opportunity to meet our gifted and high potential learners team.

WHO IS THIS FOR?
